COMMENTS FROM THE TOWN MANAGER'S OFFICE

The wet weather has prolonged the delay of the start of the street cleaning. There are several holes in the streets but the amount of cold patch needed exceeds the amount available most of the time. The worst places are being taken care of first, and in time all will be taken care of.

Gravel has been hauled to some of the muddy places on the dirt roads. This has been a very bad year for mud and some who live on dirt roads say they have never seen the roads so muddy. All of the frost isn't out of the ground yet so they may get a lot worse before they get better.

The rate of excise tax transfers has been very high the last couple of weeks. I would say that a lot of the automobile trading is caused by the new inspection requirements. There is of course the usual new car transfers, but the used car transfers seem to be higher than usual.

Less than a half dozen forms have been returned by people who should have their name remain on the voting list. The voting list can now be revised with the new names printed in the proper place and the names of voters who have moved away or died can be taken off.

Michael Houlihan

Mrs. John Tebbets will entertain the Rumford Searchlight Club at her home on Eden Lane on Friday afternoon. Piano selections by Mrs. Tebbets and Mrs. George McKnight will be the major part of the program.

Roger Dock, Rachel Keniston, Judy Jenkins and Peggy Munnit accompanied Rev. Donald Hies to the Methodist Youth Fellowship's Annual State Spring Rally at Westbrook April 9th and 10. The theme for the rally was evangelism.

PRE-SCHOOL CLINIC TO BE HELD NEXT THURSDAY

Parents of children entering the Bethel school system in September are reminded that a special immunization clinic will be held April 23 at 9 a. m. at Crescent Park School. Small-pox vaccinations and booster shots will be given. All who have not been vaccinated since infancy should have a re-vaccination before entering school. This is an opportunity for all those who have not been vaccinated against small-pox to do so before entering school.

All previous health information should be recorded on the health record and brought to this clinic. Parents may obtain these health record sheets from the following: Mrs. Arnold Brown, Mrs. David Wentworth, Mrs. Paul Bodwell, Mrs. Dree Webster, Mrs. George Brown, Bethel; Mrs. Harry Taylor, Gilead; Mrs. Earl McAllister, Albany; East Bethel School, West Bethel School and Crescent Park. These sheets should be filled out before coming to the clinic.

LEGION AUXILIARY TO PRESENT AWARD FOR CITIZENSHIP

Mundt Allen Unit, American Legion Auxiliary No. 21, is giving an award for good citizenship to a student best qualified in the eighth grade.

There will be four, one each from Newry, Bethel, East Standish and Waterford. This award is an emblem and will be presented at graduation. The student must be of good character, honesty, leadership, appearance and a good passing mark.

AKERS SPEAKER AT SUNDAY RIVER SKI CLUB MEETING

The junior and senior members of the Sunday River Ski Club met Saturday evening, April 11, for a family supper and the final meeting of the '63-'64 season at the ski lodge.

Special guest and speaker for the evening was Charles Akers of Andover who was a member of the Biathlon team which participated in the 1964 Winter Olympic Games at Innsbruck, Austria.

A member of the U. S. Army, Charlie did most of his training in Alaska. After hearing his account of the races and the amount of hours, months, and miles involved in the training, there is certainly little doubt but what the Biathlon event is truly a test of endurance and skill. He explained the event as being a cross country race combined with target shooting. Racers must carry their rifle and ammunition over the course and at four shooting ranges fire five shots at each range from different specified positions.

Another feature of the evening program was a report given by Laurel Headaches, a student at Gould Academy, on her trip to Mount Valley as a member of the U.S.E.A.S.A. team to the Junior National Championships.

During the course of the business meeting officers for the following year were elected as follows: President, Addison C. Saunders; Vice President, Dr. John Truward; Secretary, Arizona Margent; Treasurer, Richard Bryant.

Committee Recommends Main St. Location for New Fire House

Report of Bethel Fire Station Committee (sponsored by the Bethel Fire Dept.):

This committee was organized as a result of the discussion at a regular fire department meeting at which time the subject of the construction of a new fire station was discussed. The group unanimously agreed to appoint a committee for the purpose of preparing a set of plans and specifications for a new fire station and community room to be erected on the site of the present fire station building.

The committee was appointed with the following members: the fire chief, the fire department engineers, Frank Lowell, Harold Rolfe, George Olson and Stanley Davis.

This committee has met several times and has discussed many types and styles of buildings. The first plan which the committee agreed upon after much deliberation and sketching was a building approximately 100 feet wide and 66 feet deep housing both a community room and fire station with a basement under the 50x100 foot community room. The plan also included two selectmen's rooms on the first floor with tables and a furnace room in the basement. The committee came up with a conservative estimate of \$50,000.00.

At a later meeting it was decided that the property owned by Leona Flint on Main Street between the properties of Gary York and Mrs. Albert Hies was for sale to the town of Bethel for \$14,000.00. This seemed to the committee a good site for the fire station and after looking into the situation we decided to draw up another set of plans and specifications for a building to sit on this lot housing a fire station only. It was the feeling of the committee that this would be a much

more economical approach to the problem.

We feel that in view of the tremendous expense facing the town of building a sewage disposal plant, and the possibility of having to build additional school facilities in the future that it would be very wise for the town to consider very seriously the most economical solution to the fire station problem. The committee has done some preliminary surveying on the lot and we find that the lay of the land is ideal for the building that we propose with additional room for parking.

This proposed building is 50'x70' with an A-type roof. The building will be substantially fireproof being constructed of concrete block and concrete foundation and floor. The building will house all of the fire equipment that the town owns plus extra room for the storage of hose and miscellaneous equipment. The furnace room to be located in the rear of the station, will be large enough to accommodate toilets and a small meeting room for the firemen.

Several of the members of the committee have done extensive estimating on this proposed building and have come up with a figure of \$30,000.00. The committee has spent a great deal of time preparing this estimate and we are certain that the figure that we arrived at will not be exceeded if the specifications that we propose are followed.

The committee further recommends that the town offer the contract for construction of the proposed building to local contractors in preference to outside bidders. Also that this letter accompanied by sketches of the proposed building be published in the Bethel paper as soon as possible for the taxpayers to consider.

Members of the Committee

GOULD TO PRESENT "BRIGADOON" NEXT WEEK, APRIL 24-25

"Brigadoon" to be presented at William Bingham Auditorium on April 24 and 25, is a musical set in a magic village to Scotland. It comes to life every hundred years and disappears after a single day. Two American actors, Fred and Brenda, on a day when a wedding is to take place. The old village school master, played by Alan Howard, tells the story of Brigadoon to Tommy and Jeff played by Greg Glines and Jack Andrews. In 1747 a miracle happened which permitted the village to tolerate except for one day in each century. The miracle would come, however, if any native left Brigadoon.

Tickets are now on sale at Roseman's and will be on sale at the door on both evenings of the performance.

Comment has reached the director that the low cost of admission

Pictured above, left to right, are Karen Young, Anne Thom, Susan Barash, Candace Kimball, and Kathy Rutledge in rehearsal of "Brigadoon".

comment does not seem to have been taken into the caliber of the program being attempted. The price of these tickets is established on a reasonable basis of cost and it would be a mistake to think that it would be most unethical to depart from the terms of that contract for any reason. Since there will be no revised seats, it might be a good idea to have late arrival, and be on hand at 8:00 p. m. to catch the first "Brigadoon". The one might even be worth standing in line for.

SUNDAY RIVER

Mrs. R. M. Fleet, Cor.

A happy young man in his neighborhood is a ten year old James Edmund Swan, son of Mr. and Mrs. Newton Swan. A short time ago he wrote to President Lyndon Johnson asking if he could have a picture of his for his collection. He was greatly surprised when he returned home from school the other day to find he had an autographed photo of the president in the mail. This makes Jim very proud to be sure. And I think a big thanks is due our President.

Mrs. Mildred Mudgett returned home from West Gardiner, where she spent the winter with her brother and wife, Mr. and Mrs. Ed York, Thursday.

Mr. and Mrs. Ed York called on Mr. and Mrs. Will Spence from West Gardiner.

Mrs. Barbara Yates and Mrs. John Day were in Lewiston Thursday and called on Mrs. Linda Harrington and Randy Baker at the CMO Hospital.

WATERFORD SISTERS BECOME BRIDES IN DOUBLE CEREMONY

The Waterford Congregational Church was the scene of a most impressive double wedding ceremony on Saturday, March 28, at 2:00 p. m., when Annette Marie and Elaine Mary, daughters of Mr. and Mrs. Merritt M. Kimball of South Waterford, became the brides of Alan David Bennett of Fryeburg and Donald Lee Rice of Bethel.

The lovely little church was filled to overflowing with relatives and friends. Bouquets of spring flowers were used at the entrance and arrangements of white snapdragons, pink carnations and wedding greens accented the altar. Candelabra at the chancel, with Easter lilies at different places in the sanctuary.

Dr. Wilbur I. Bull of Rina Highlands, N. H., long the pastor of the Oxford County United Parish came to officiate at the weddings. He was assisted by Rev. Herbert Stevens, the present pastor in the parish. The double ring service was used for each couple.

Mrs. Jeanie (Andrew) Stone of South Paris was the organist.

Merritt M. Kimball gave both his daughters in marriage. Annette was escorted by her brother, Davis W. Kimball, and Elaine by her father. The sisters acted as honor attendants for each other.

They wore identical gowns of antique white Italian embroidered silk capote. They were fashioned with fitted bodices having scalloped Sabrina necklines, empire waists, accented with tailored bows and long sleeves ending in fitted points. Their bouffant floor-length skirts were highlighted at the back with four tiers of scalloped ruffles. Their butterfly veils of nylon tulle were attached to princess crowns of pearls and orange blossoms. They carried cascade bouquets of white roses, stephanotis and freesias.

Miss Annette had as bridesmaids, Mrs. Evelyn Maxfield, Harrison, and Mrs. Sarah Mack of Amherst, Mass. Miss Elaine chose Miss Donna Lee Rice, twin sister of the groom, of Bethel, and Mrs. Mary Currier, Waterville, Mass., classmates. They were groomed in street-length dresses of cotton blue embroidered silk organza over tulle, made with wrap necklines and full skirts. Tulle cummerbunds had large bows at the back. They wore matching circular face veils, attached to crowns of tulle and velvet leaves. Their flowers were yellow sweetheart roses and white carnations in colonial bouquets with gold streamers.

Miss Sharon Kimball, a companion to New Jersey Monday, April 13.

Mrs. Barbara Yates and Mrs. John Day were in Lewiston Thursday and called on Mrs. Linda Harrington and Randy Baker at the CMO Hospital.

son of the brides, was flower girl. She wore a yellow tulle gown and yellow flower hat and veil and her basket was filled with yellow, blue and white flowers. Kenneth Maxfield of Harrison was ringbearer.

The best men were Davis Kimball, brother of the bride, for Mr. Bennett, and Mr. Rice chose his brother, Douglas Rice, on leave from Great Lakes Naval Station, as his attendant.

The usher group included George Drew and Lloyd Drew of Fryeburg, Emerson Merrill of Bethel and David Salway of Mexico.

The reception at the Wilkins House, next to the Church, would not accommodate the large crowd to well-wishers who came to greet the newlyweds. People stood in line outside for some time. The receiving line was augmented by the parents of the two couples.

Serving were Miss Judith Stearns, North Waterford, and Mrs. Loreta Merrill, West Bethel; Mrs. Norma Salway of Mexico and Miss Hope Harrison had charge of the gifts. The guest books for both couples were in charge of Miss Katharine Giovannella of Kezar Falls. Mrs. Bennett's cake was cut by Mrs. Edna Hill of Conway, N. H., and Mrs. Rice's by Mrs. Ethel West of Bowdoinham.

The newlyweds left following a family gathering at the home of Mr. and Mrs. Kimball. Mr. and Mrs. Bennett went to Florida for their wedding trip and Mr. and Mrs. Rice, to Canada.

Mrs. Bennett is a graduate of Fryeburg Academy in 1960 and Bliss College in 1961. She is a dental assistant at Dr. Arthur W. Easton's office in Norway.

Mr. Bennett was also graduated from Fryeburg Academy in 1960 and is a senior at Bowdoin College. He is the son of Mr. and Mrs. Alonzo Bennett of Fryeburg.

Mrs. Rice was graduated from Fryeburg Academy in 1962 and Bliss College in 1963.

20 SECONDS with the NAZARENE

"When Christ receives a soul into His love, He puts upon him the ring of adoption. Adopted! Why, then, we are brothers and sisters to all the good of earth and Heaven, we have the family name and the family dress and the Father looks down upon us, robes us, defends and blesses..."

LEGION AUXILIARY

Mundt-Allen Unit No. 81 met at the Legion Rooms Tuesday night at 8:00 p. m.

Mrs. Ann H. Swan, Locke Mills, second district vice-president of the American Legion Auxiliary, was a guest. She was accompanied by Mrs. Joyce Hathaway. A corsage made by Mrs. Grace Coburn was presented to Mrs. Swan by President Stephanie Thurston.

The Auxiliary voted to contribute to the Relief for Alaska Fund and also to the Rogers' Campaign Fund. It was announced that Martha Stowell has been accepted as delegate to Dirigo Girls' State which will be held at Colby College, Waterville, June 12-18.

Members are asked to leave articles for a sunshine box at the Legion Rooms during this week. It will be delivered this weekend.

The next meeting will be held April 28. The refreshment committee includes Patricia Moxey and Margaret Baker.

BETHEL PLAYERS

Bethel Players met Tuesday evening at the home of Betty-sun Hastings.

Plans for a summer production were brought up. A special meeting will be held later this month to discuss this project further.

The "Introductory Night" free square dance session, the first of a series to benefit the Bethel Community Center Fund, will be held on Saturday, at 8:00 p. m., at the Community Room. Earl McAllister, chairman, has announced that members of the "Swinging Stars" square dance club from Albany, will be present to help demonstrate.

Robert Henney, professional caller and instructor from Winthrop, is looking forward to his sessions with the Bethel folk.

LOCKE MILLS BOY SCOUTS
We opened the meeting at the Legion Home with the flag salute. After the Scout Oath and laws we discussed the week end camping plans. We decided to combine two of the smaller patrols into one large patrol. We had come into town almost at the meeting.

CUH SCOUTS
Drs. I of Park 503 met on Tuesday at 8:00 p. m. We had refreshments and played games. Jeffrey Fergus gave his book report for his Reading Achievement.

We finished our bird feeders and made "nest build-ers" for the birds. We practiced our skit for the April Park Meeting. We also made a "get well card" for Tom Ben-nich who is ill. — Keeper of the Book Robin Brennan.

NATIONAL LIBRARY AND BOOK WEEK

Reading is the key to knowledge, to adventure, to travel. Many of the largest industries in the country are asking for men and women who read. It is the inquiring mind that leads to the formation of new ideas and thoughts. You are what you know. Through books there is no horizon that is limited.

The Bethel Library is celebrating National Book and Library Week and has added the following books to its circulation:

Non-Fiction:
Police Woman, Ulnak; Book of the Dance, Agnes deMille; American Petroleum Industry, Williamson; Diplomat Among Warriors, Robert Murphy; Minister and the Choir Singer, Kuenstler; The Living Sea, Comstean; Stan Musial, Brock; As I Remember Them, Cantor; As the Falcon Her Bells, Glas-ler.

Fiction:
Land Breaker, Ehle; Con-vention, Kuebel and Bailey; False Colours, Hever; Wind from Carolina, Wilder; Run me a River, Giles.

Mysteries:
The Hospitality of the House, Disney; Faces of Danger, King; Amber, Whitney; Crime of Co-lin Wise, Underwood.

Juvenile:
Cloud Eaters, Reeves; Search for a Living Fossil, Clymer; Eddie and the Fire En-gine, Haywood; Know Your Declaration of Independence, Ross; I Want to be a Dentist, Greene; Georgie and the Rob-bers, Bright; Mystery of the Winding Stair, Orton; Fro-gmated Fighters, Brennan.

folk It is suggested that the ladies wear flat heels and full skirts for these sessions; and men will be more comfortable in casual sport clothes.

Bethel square dance enthusi-asts are hopeful that a large square dance club, of which there are now approximately five hundred in New England alone, may result from these sessions, and prominent callers invited.

COTILLION NEWS
The Cotillion members put on a demonstration dance Sat-urday night. We demonstrated dances, old and new. After the demonstration the members and guests enjoyed dancing and re-freshments. The guests attend-ing were: Mrs. Donald Stecher, Mr. and Mrs. Richard E. Walker, Mr. and Mrs. Charles Hei-er, Mrs. Paul Kirby, Cindy and Chris Kelley, Mrs. Claus Weiss, Amy Simmonds, Mrs. Richard Thompson, Mrs. Bur-ton Newton, Mrs. Charles D. Merrill, Mrs. Clayton Hane, Mrs. Eleanor Bean, Virky Brown, Cindy Chapin, Pat-ricia Danham, Ellen Kennist, Mr. and Mrs. Ernest Perkins, Dorothy Perkins, Mr. and Mrs. Wallace Saunders, Carroll Hran, Mrs. Kathleen Kennaph, Mr. and Mrs. Robert Gilmer, Yvonne Sawyer, Mr. and Mrs. Irving Brown, Karen Brown, Craig Davis.

There will be no more in-sessions this year for Cotillion dancing. However, the mem-bers are going roller-skating April 17 at Oxford. Members are urged to read notice on p. 1. P. 8 bulletin board concerning this. Reporter: Barbara Mer-vill.

FORMER BETHEL RESIDENT WRITES OF ALASKA EARTHQUAKE

The following letter was re-ceived by Mrs. Edmund Smith from a relative, Mrs. E. W. Johnson, who lives in Spenard, Alaska. Mrs. Johnson is the former Dorothea Burbank and was OK. Just about that time Bud drove in so everyone was accounted for. Right then years of loyalty to my job took over and I decided that with my mind at rest about the welfare of my family my next duty was to see if I could be of use at the hangar. The tower at the Inter-national Air had collapsed as I had noticed when I ran to my car to come home and I realized that communications were going to be vital. So I was feel-ing guilty about having come home and left my place of duty as I drove back toward the air-port. But guess what? Every-one in the radio shop had gone home also and no one had come back! So I felt less guilty and proceeded to pick my way around in the now nearly dark hangar to see what might be salvageable in the way of radio equipment. There was only one man in the hangar and he hand-ed me his flashlight and said he was going home.

I decided to stick around just in case and a few minutes later a few of the maintenance men came back on duty and though there wasn't much we could do without lights or power or heat at least we could guard the de-bris and service the planes and keep them ready for emergency flights. The planes on the ramp had not been damaged. One other person from the Avionics shop had shown up by now but we were discussing whether or not it would be worthwhile to stay around there under the circumstances and he had de-cided that there wasn't much point in it and was preparing to leave by going through the shop and locking the back door. Just about that time a couple of men drove up in a jeep to where I was standing at the front of the hangar trying to make up my mind about stay-ing, and leaped hurriedly out of the jeep and came running over saying something about needing some one to run-up a plane so they could use the ra-dios to get on the air and con-trol the air traffic by diverting the planes coming from this air-port to Elmendorf since we no longer had runway lights or a control tower.

I quickly assured them that we could use the radios without running the engines and led them to a plane and set up the frequencies they needed and had them on the air in no time. They operated from there all night and the next day until the other tower at Lake Hood could be fixed up to accommodate them. After a while that same night another technician showed up and so I left to go to the Providence Hospital where they were calling for people with First Aid training to help take care of the injured but just be-fore I got there a message came over the air that they needed no more help so I came home. Bud and Rozanne had the de-

murt but said Rozanne was not there.
I returned home and just as I got to the house I heard Roz-anne call from the road—she and a girl friend were just com-ing to see what had happened at our house. She had been vis-iting when the quake struck and was OK. Just about that time Bud drove in so everyone was accounted for. Right then years of loyalty to my job took over and I decided that with my mind at rest about the welfare of my family my next duty was to see if I could be of use at the hangar. The tower at the Inter-national Air had collapsed as I had noticed when I ran to my car to come home and I realized that communications were going to be vital. So I felt less guilty and proceeded to pick my way around in the now nearly dark hangar to see what might be salvageable in the way of radio equipment. There was only one man in the hangar and he hand-ed me his flashlight and said he was going home.

It is about 4 miles from work to home and it seemed like a hundred. The roads were slip-pery and I couldn't drive very fast for fear of going in the ditch but the very fact that I was doing something toward getting home kept me from pan-ic though I pictured our house as being in the lake and the horses on top of each other in an overturned stable with broken legs and heaven knows what all. However as I drove along I saw no evidence of smoke and when I turned into the driveway (my first sight of the house) every-thing looked practically nor-mal. I could hardly believe it. There was only an awful still-ness than continued to prevail for days after the quake. This is still a difference in the at-mosphere. No birds or seagulls, and its weird without them.

To get back to me getting home. I got out of the car and started to open the door into the garage when I realized that it wasn't going to open—there was too much debris piled up behind it, so I lifted the over-head door and it worked, but the worse that met my eyes was unbelievable—everything mov-able was piled up on the floor and I hated to look in the house itself. I couldn't see or hear Rozanne anywhere as I climb-ed over broken glass and spill-ed food and tipped over lamps and furniture to go from room to room calling her name and hardly daring to look beneath the debris afraid of what I might see. After a thorough search I decided she must have run to the neighbor's home and so I started for there stopping in at the stable on my way to see how my horses had fared. They were very frightened and nervous and a little scared up but apparently no major injur-ies so I proceeded on to Syd-nam's. They were scared but

not hurt but said Rozanne was not there.

MAGALLOWAY

—Mrs. Bessie Harvey, Corres-pondent.
Mr. and Mrs. Mark Harvey and Mrs. Bessie Harvey were in Fairfield, Maine, last Thursday while they visited Mr. Dorothy Abbott and her son, Ronald Abbott, who is a patient in Volmer's nursing home in North Vassalboro.

Ernest Brinck who was in the St. Louis Hospital in Berlin last week went to the Haverhill hospital Saturday for tests.

There is another whist party at the Wilson's Mills Grange Hall on Saturday evening.

Odian Turner was in Haverhill for medical treatment Monday.

LeRoy Olson visited Mrs. Ma-bel Cameron Sunday afternoon. He also called on Mr. and Mrs. Leon Bennett.

Mrs. Elizabeth Hibbard and her sister, Miss Brenda Linnell, flew to Florida last week and will return with their grand-parents on April 20. Their grandparents, Mr. and Mrs. Claude Linnell, Sr., who have home there.

bris pretty well cleaned up by then and the floor was piled with sleeping bags and heavy outdoor clothing and as I walked into the living room I noticed that our house had become a refuge for the family next door. The mother is a doctor and had to be at the hospital, the father is a State Trooper and had to be on duty so the housekeeper had brought the three small children to stay with us, since they were very nervous and frightened and we had a fine place for warm and a less frightening atmosphere.

We kept a bucket of water by the fireplace and every-thing was briefed on just what to do in case of another severe shock. One was to throw the water on the fire another was to station near the outside door to throw the boots and parkas and bla-kets out as we wouldn't have time to put them on inside. We also used the bucket of water as an indicator as to the in-tensity of the aftershocks so we could judge whether or not to leave the house. There were literally hundreds of aftershocks and soon we became callous about them. If there seemed a little too strong we would stand and gauge the carefully, with each other and someone would say, "Buck!" and after a second another would say relievedly, "No, it's this time."

All day Saturday I cleaned up. All our beautiful Havill-ehina was smashed and our re-frigerator and lamps, but no one seemed to have any regrets about any material loss—how the value THINGS have at the time when human lives are at stake. I won't go into the rest of the Alaska wide dis-aster because you have all seen and heard more about it in the I have. I haven't even been anywhere but home and we have been nothing except what has been in the papers on TV.

Black and White dance orchestra - once a dairy farmer in New Hampshire, manager of a chain store in Dorchester, Mass. Jack in Bethel the well liked Bethel Restaurant proprietor on Main Street for three years. During World War II he was employed in the Portland shipyard. He ran a service station and general store in Bethel for nine years, also was Bethel's tax collector seven years and postmaster there two years. Some years ago he was Bethel's night watchman.

Loosely in 1962 he again served Bethel well as the night policeman. Mr. and Mrs. Bean lived at the John Harris home on Broad Street for a time and cared for Mr. Harris during his declining years. There are all the in-between years - others will recall - other places - other work that "Be" was part of.

We remember him - always busy somewhere, somehow, living each day as best he could and enjoying people - he loved them and was happiest when serving them.
